

To our Committed Partners:

The Mendota Community Corporation and the City of Mendota are planning to hold their Annual Earth Day Celebration event for the City of Mendota. This event will be held on Wednesday, April 16, 2025, beginning at 8am at Mendota City Hall and concluding at Rojas-Pierce Park.

During this event, numerous volunteers from the community and participating organizations will come together to celebrate this remarkable day by planting flowers and cleaning up litter. Towards the end of the event, we also provide our Earth Day Celebration volunteers with a lunch to express our gratitude for their hard work.

We hope that through this event we continue promoting environmental awareness to create a brighter and healthier future for our community members. This is where our indispensable partners, such as yourself and your organization, can help us achieve our goal. We ask that that you become a sponsor for this important event. We are not asking for any specific donation amount, and we appreciate and are extremely grateful for any assistance you can provide.

All donations can be made out to the Mendota Community Corporation (with a note designating the donation for the Earth Day Celebration event) in the form of a charitable deduction because the MCC is a registered 501(c)3 non-profit organization (EIN 47-3855433). As a token of appreciation for your contribution, your name or company name/logo will be included on all promotional material for the event. If you have any questions, please do not hesitate to contact our Board Secretary, Celeste Cabrera-Garcia, at (559) 577-7692 or via email at [ccabrera@cityofmendota.com](mailto:ccabrera@cityofmendota.com).

We thank you for your consideration and continued support for our City. Working together we can continue to make Mendota a vibrant community and do our part in encouraging environmental awareness and protection.

Sincerely,

Victor Martinez  
Chairperson, Mendota Community Corporation

**Future developments.** For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to [www.irs.gov/FormW9](http://www.irs.gov/FormW9).

### What's New

Line 3a has been modified to clarify how a disregarded entity completes this line. An LLC that is a disregarded entity should check the appropriate box for the tax classification of its owner. Otherwise, it should check the "LLC" box and enter its appropriate tax classification.

New line 3b has been added to this form. A flow-through entity is required to complete this line to indicate that it has direct or indirect foreign partners, owners, or beneficiaries when it provides the Form W-9 to another flow-through entity in which it has an ownership interest. This change is intended to provide a flow-through entity with information regarding the status of its indirect foreign partners, owners, or beneficiaries, so that it can satisfy any applicable reporting requirements. For example, a partnership that has any indirect foreign partners may be required to complete Schedules K-2 and K-3. See the Partnership Instructions for Schedules K-2 and K-3 (Form 1065).

### Purpose of Form
